

TRANSPORTATION INFORMATION

PRIVATE BUSES

Lancaster Country Day School coordinates buses from York, Dauphin and Berks County.

To sign up for the York or Dauphin Bus, please contact LCDS Business Office. **The York and Dauphin bus contract can be downloaded from the New Student Packet webpage of our website.** <http://www.lancastercountryday.org/page/NewStudentPacket>

If you live in Berks County you will be contacted by the Berks County Bus Representative (an LCDS parent) over the summer.

LANCASTER COUNTY BUSES

In the state of Pennsylvania, if any part of the school district in which you live is within 10-miles of Lancaster Country Day School, your district is responsible for busing your student to our school. To see a map and list of districts required to provide transportation you may click here: <http://www.lancastercountryday.org/Page/Admission/Transportation/Local-Busing>

If you live in one of those districts, please be in touch with that district's Transportation Coordinator to ask what you must do to obtain busing to LCDS. You might want to ask about the expected pickup/drop-off locations, length of time they anticipate your student will be on the bus, if students will be required to transfer from one bus to another, etc.

District Transportation Coordinators are listed here. **Transportation Request Forms from districts who have made the forms available to us can be accessed on the New Student Packet webpage of our website.** <http://www.lancastercountryday.org/page/NewStudentPacket>
