TO: Non Public/Private Schools
FROM: Dawn Dixon, Transportation Coordinator
DATE: May 4, 2016
SUBJECT: 2016-2017 Transportation Plans

This is the time of year that Pequea Valley School District begins to make decisions about replacing and adding additional vehicles, changing routes, etc. for the upcoming year. We will be better prepared to provide safe and reliable service if we can predict the number of routes that will be needed.

In an effort to assist our contractor in their planning for the upcoming year, we would like to try to get some preliminary information from the non-public schools. The form must be completed and returned to me by mail or fax (717-768-7176) before July 1, 2016. If the district does not receive this form back completed and signed, the district will assume no transportation is required and may not guarantee transportation. Thank you.

Our school, Lancaster Country Day is planning the following for the 2016-2017 school year:

- Pequea Valley will be providing transportation to our students, who reside in their district, to and from school (Please send your preliminary student names, addresses, parent names, phone numbers & a school calendar for 2016-2017 school year when returning this form)

Direct Contact Number #1 717-392-5263 Name Gail Claus
Direct Contact Number #2 717-397-0685 Name John Ford
School Start time 8:10 School End time 3:00
Grade Levels serviced PS - 12

- Our school is planning to provide our own transportation for the 2016-2017 school year, and understand we will not be reimbursed by Pequea Valley School District.

The information that you have shared will be very helpful to our planning process and also used for auditing purposes. Please contact me if you have any questions.
