Have you ever wondered how to play chess? Have you played in the Lancaster-Lebanon Elementary Chess Tournament and want to improve your game for next year? Or do you want to fine-tune your thinking by learning new strategies and changing the way you look at the board? If any of these sound good to you, come join us at IU13 this summer for our first-ever chess camp! Working with **Mr. Jason Shugar**, a K-6 STEM specialist and elementary chess coach from Eastern Lancaster County School District, you will build self-confidence, analyze possibilities, solve problems and discover new approaches in the game of chess. Whether you are new to the game or have experience, you will enjoy time with fellow chess players and build your skills to take your game to a new level. Join us for three days filled with strategy, concentration, competition and fun. Space is limited so register today!

What to Bring:

- Chess Camp permission slip/photo release form (included on registration form)
- A light snack will be provided. Allergies? Feel free to bring a snack from home.
- Water bottle with lid
