Dear Parents,

Trick or Treat for UNICEF is a service project that the fifth grade organizes each year. UNICEF is a group that works in more than 190 countries and territories around the world to help kids! Some of the kids UNICEF helps don't have enough food, clean water or medicine. Some of them don't get to go to school. Some have lost their homes in natural disasters. UNICEF believes that no children should be in these kinds of situations. We can help these kids through Trick-or-Treat for UNICEF. On Halloween, instead of just trick-or-treating for candy, we can ask for donations, too! UNICEF uses the money we collect to help children live healthy lives and have bright futures.

Your child will be bringing home a UNICEF box in order to collect donations. The boxes should be returned to your child's homeroom by November 6<sup>th</sup>. The fifth grade will collect them and add up the donations for a total raised. Please consider letting your child collect donations for this worthy cause.

Thanks,  
The Fifth Grade
