

## “Canstruction 2016” All-School Food Drive

It is time again for our school-wide **Canstruction Food Drive**. This year’s design is called: **“Send Hunger Pac-ing”** and was submitted by eighth graders: Roman DeMarco and Giuliet Kibler and features both Mr. and Ms. Pacman and of course a ghost.

**LCDS needs to collect 2,354 cans of specific brands of canned food to make our “Canstruction” sculpture for the 10<sup>th</sup> Annual Central PA Canstruction Build Event.**

**We need your help to make this project a success.**

Many of your children have already helped with aspects of this project by submitting designs, calculating cans needed, and calculating the nutritional content of various canned goods.

**Now we need your help with our food drive!**

We are asking each **Lower School Student** to please bring the following canned food items or money to school **by Monday, March 21, 2016:**

**5 – 10.5 oz. cans of Goya Brand Black Beans and  
2 - 15 oz. cans of Rienzi brand Black Beans (on sale at Giant .49 each)  
or  
\$4.50 and we will do the shopping for you**

Canned food items will be collected in your child’s homeroom.

**For more information, contact Diane Wilkofsky at [wilkofskyd@lancastercountryday.org](mailto:wilkofskyd@lancastercountryday.org)**

After our builds all canned goods and monetary donations collected will be donated to “Project S.H.A.R.E. and the Lancaster Council of Churches Food Bank.

---

\_\_\_\_\_ Shop for me. Enclosed is a check made payable to LCDS for the Canstruction food drive.

\_\_\_\_\_ will not be participating at this time.
