

Mounting Equipment

How to Order

Step #1

Choose your mounting format (see page 118).

Did you choose spring roller or multi-roller?

If yes, continue to Step #2.

If no, then you are done. Add the ordering info to your order form.

Step #2

Use this table to determine how many spring or multi-rollers you need, how many sheets on each, and what additional mounting equipment you'll need.

Spring Roller Mountings

You will need the following if, in Step #1, you chose:
