

Dear Lower School Families,

September 2013

Grandparent/Grandfriend's Day was one of the most successful Lower School events last year. This special day provides grandparents the opportunity to spend some time with their grandchild(ren) at school. This year Grandparent/Grandfriend's Day has been set for **Tuesday, November 26, 2013.**

Opening the school to Grandparents/Grandfriends widens the scope of the school family and allows our students to share the excitement and energy of our Lower School with their grandparents. This is a special event for grandparents or grandfriends and their Lower School grandchild(ren). Students whose grandparents are unable to attend (or whose grandparents may no longer be with us) should not be concerned that they will feel left out. They may invite another special adult in their life, whom we will welcome to our Lower School as a "Grand Friend. "

We need your help in inviting grandparents (or grandfriends) and in the planning of this event. At the bottom of this letter is a tear-off form which we ask you to complete and return to the Lower School Office. Please return the form to the Lower School office **by Friday, October 4, 2013.** We urge you to inform grandparents (or grandfriends) that an invitation will be forthcoming and to encourage them to return the registration form when it arrives so that we can plan accordingly.

IF THE INFORMATION IS THE SAME, PLEASE CHECK THE BOX BELOW

Thank you for your support as we look forward to a wonderful Grandparents' Day.
Warmly,

Christina Chase Simonds

Please return to the Lower School Office by Friday, October 4, 2013
