

LCDS PA Committee Schedule of Events 2015-2016

The Lancaster Country Day School Parents Association supports and carries out programs to support events like the Horizons Summer program by purchasing backpacks for each child and promotes spirit and enthusiasm for the School. From the Back-to-School picnic to Keepsake Greetings, we are involved in many aspects of school life. We are a dynamic and energetic group open to new ideas. Please join us at our meetings on Wednesday AM for updated information and refreshments.

Here is a list of the Parents Association activities and contacts. There are a few other activities in bold which are recommended for everyone. Please contact me if you have other questions.
